

Westmoreland-Fayette Healthcare Industry Partnership

Designed to prioritize the local healthcare industry's most critical challenges and be healthcare employer-driven.

As an Industry Partner, you will:

- Participate in partnership discussions
- Join partner workshops and seminars
- Gain relevant information on available resources
- Grow your network with educational, economic, and workforce partners
- Engage in workforce development initiatives like internships, work experiences, and more!

Supporting Westmoreland County & Fayette County Healthcare Providers in building a stronger healthcare industry!

Convene

Convene with fellow healthcare providers to discuss challenges, solutions, and areas you would like to grow as an employer.

Strategize

Support will better equip local healthcare providers with the resources needed to overcome industry challenges.

Support

Strategize solutions and resources to address the most critical challenges facing the regional healthcare industry.
